

Helpline for Foreign students sponsored by ICCR

Indian council for Cultural Relations (ICCR) sponsors scholarships for foreign students under various schemes. ICCR receives a host of queries, requests from foreign students regarding various issues pertaining to admission methodology, stipend, HRAs, medical problems, hostel issues etc. In order to streamline the grievances redressal mechanism for ICCR sponsored foreign students a Helpline email ID: studenthelpline.iccr@gov.in has been created to address the grievances of such students. ICCR sponsored students and alumni are advised to send their queries to the Helpline email ID mentioned above.
