

Tata Steel Clinches Deal on Pound Sterling 15 bn Pension Scheme

There was a news report carried by Sudan Vision (English Daily) on 15th August 2017 titled "Tata Steel Clinches Deal on Pound Sterling 15 bn Pension Scheme" detailing an agreement of Tata Steel with UK Pension Bodies wherein Tata Steel will inject Pound Sterling 550 million into the pension fund. The agreement has been approved by the pension regulator and will pave the way for merger of European operations of Tata Steel with German rival Thyssenkrupp.
